

AUTOIMMUNE SKIN DISEASE

Relative Occurrence

1. Pemphigus foliaceus
2. DLE
3. SLE
4. Pemphigus vulgaris
5. Bullous pemphigoid
6. Pemphigus erythematosus
7. Pemphigus vegetans

Antigen

Pemphigus foliaceus = Desmoglein I
Pemphigus vulgaris = Desmoglein III
Bullous pemphigoid = B.P. Antigen (DP I)
Paraneoplastic pemphigus = Desmoplakin I = II

Acantholytic Cells

Pemphigus complex

ANA +

SLE
Pemphigus erythematosus

Systemic Signs

SLE = primary signs

UV Aggravated

SLE
DLE
Pemphigus erythematosus

Facial Lesions (Only or Predominantly)

Pemphigus erythematosus
DLE

Oral Lesions

Pemphigus vulgaris
SLE
Bullous pemphigoid
